Ordering wedding stationery

We understand there is a lot to do when it comes to planning your wedding day, and we hope to make the whole process stress free and fun, whilst designing a beautiful invitation and stationery package for you to treasure.

Therefore, we have put together a comprehensive ordering process for you to follow, including at what time you need to organise your pieces of stationery.

From the collection

Firstly, you choose your favourite invitation design from the “collection”.

If you wish to order a sample pack you can do, though this will incur a small fee of \$10.

Then, if you live locally in Te Awamutu, New Zealand we can meet to discuss your requirements. No problem if you live elsewhere in New Zealand, we can do it all via email or phone, as this works perfectly fine.

If you would like to go ahead with us, we will require a 50% deposit before work begins. This is non-refundable, but will be deducted from the final balance. Once this is received, we will proceed to design your invitation with your choice of colour, font and wording. We will firstly send you a draft with up to 3 design options. If any alterations are required we will offer a further 3 sets of complimentary proofs. Extra proofs beyond the complimentary ones will be charged at \$25 each. From here, we will begin coordinating all your other stationery with your invitation.

It is your responsibility to proof read very carefully. Once you have given us the final approval of your digital proofs, we can send you a printed proof of your invitation, which must be approved too. Please note this is an additional \$10 fee (this is optional but highly recommended). Please allow a week for this. The final balance owing is then required to be paid, and must be made prior to going to print.

Expect 2 - 6 weeks for us to complete your wedding invitations.

Tailor-made

We are more than happy to create a “tailor-made” design for couples wishing for something a little more personal. Whether you have something in mind or you want to give us creative license we can come up with something you will be truly happy with.

You may wish to order a sample pack, though this will incur a small fee of \$10.

Initially, we will meet either in person or via phone or email, depending on where you are located in New Zealand. We will discuss your style and ideas and wedding details, and once we have established your needs we will send you a quote. If you would like to go ahead with us, we will require a 50% deposit before work begins. This is non-refundable, but will be deducted from the final balance.

Using the brief we will design your invitation with your choice of colour, font and wording. We will firstly send you a draft with up to 2 design options. If any alterations are required we will offer another 3 sets of complimentary proofs. Extra proofs beyond the complimentary ones will be charged at \$25 each. From here, we will begin coordinating all your other stationery with your invitation.
